## EXPERIENCE

As a MERN Stack Developer, I have worked on various personal projects, gaining hands-on experience in building full-stack applications. Through the Saylani Mass IT Program and Devtown Bootcamp, I have developed practical skills in ReactJS, Next.js, Node.js, Express, and MongoDB. I have built responsive web applications, integrated REST APIs, and worked with authentication systems. Passionate about problem-solving and continuous learning, I am eager to apply my skills in a professional environment and grow as a developer.
